ADDRESS SERVICE REQUESTED

***A Thank You Note:***

“Words are often a means to express ones feelings and often few words are needed to communicate these feelings. I find it impossible to know enough words to describe my heartfelt thankfulness and gratitude. My heart is so full. This past year (2009) was very hard and each one of you was right there with me. The love of God shines brightly in each one of you. During the loss of my daddy, the cards, the phone calls, the support and most of all the prayers that were lifted up for me and my family filled my heart with love. I know whatever life brings my way, the journey will be easier knowing my church family is by my side. The sadness I feel in the loss of my daddy can not compare to the joy in my heart knowing our Lord was right there to take him to his heavenly home. Praise God for the home He has prepared for each of us.”

In Christian love,  
Linda Swaim
